Associate Deputy to the DCI
Central Intelligence Agency
Washington, D.C. 20505

Dear John:

Thank you for letting me know of the request of the Senate Select Committee. I've received a request for the paper, and I've agreed to provide a copy. For the record, the study was not done "for" the President-elect, but had been started several months before the election and largely, or entirely, completed by the time the election took place.

Sincerely,

FAL:njc
